

Welcoming Every Child.
Embracing Every Family.

Hospitable Church helps congregations practice radical, gospel-shaped hospitality toward families with **neurodivergent children** and children with **special needs**. We're preparing our people and our spaces before they arrive — training volunteers, creating sensory-friendly environments, implementing a buddy system, integrating children into worship, and building relationships through strategic initiatives.

Nearly **80% of families** affected by disability do not attend church — not by choice alone, but because they **don't feel truly seen or supported.**

a truly **Hospitable Church**.
